Dear Supervisors:

**STREET LIGHTING DISTRICTS  
ANNEXATIONS AND LEVYING OF ASSESSMENTS FOR  
COUNTY LIGHTING MAINTENANCE DISTRICT 1697 AND  
COUNTY LIGHTING DISTRICT LLA-1, AND  
NEGOTIATED EXCHANGE OF PROPERTY TAX REVENUES  
PETITION NO. 22-201, CARSON ZONE  
SUPERVISORIAL DISTRICT 2  
3 VOTES**

**IT IS RECOMMENDED THAT YOUR BOARD ACTING AS THE GOVERNING  
BODY OF THE COUNTY LIGHTING MAINTENANCE DISTRICT 1697 AND  
COUNTY LIGHTING DISTRICT LANDSCAPE AND LIGHTING ACT-1:**

1. Approve the enclosed Engineer's Report, either as filed or as modified, regarding annexation of territory to County Lighting Maintenance District 1697 and County Lighting District LLA-1, Carson Zone, and levy of assessments within the annexed territory for street lighting purposes.
2. Adopt the enclosed Resolution of Intention to Annex Territory to County Lighting Maintenance District 1697 and to County Lighting District LLA-1, Carson Zone, and to Order the Levying of Assessments within the Annexed Territory for Fiscal Year 2005-06.

3. Set a date for a public hearing regarding the proposed annexation and levy of annual assessments within the annexed territory for street lighting purposes, with a base-assessment rate of \$1 for a single-family residence within County Lighting Maintenance District 1697 for Fiscal Year 2005-06.
4. Instruct the Executive Officer of your Board to cause notice of the public hearing by mail at least 45 days prior to the date of hearing scheduled for \_\_\_\_\_. The mailed notice will include assessment ballots.
5. Instruct the Executive Officer of your Board to cause notice of the public hearing to be posted in three conspicuous places within the territory to be annexed and to publish the notice of public hearing once a week for two consecutive weeks in a newspaper of general circulation. Such posting and publication to be completed at least 10 days prior to the date of hearing.

**AFTER THE PUBLIC HEARING, IT IS RECOMMENDED THAT YOUR BOARD:**

1. If needed, order changes in any of the matters provided in the Engineer's Report, including changes in the improvement, the proposed diagram, or the proposed assessment as described in the Engineer's Report.
2. Order the tabulation of assessment ballots submitted, and not withdrawn, in support of or opposition to the proposed assessment.
3. Determine whether a majority protest against the proposed annexation or assessment exists.
4. If there is no majority protest against the proposed annexation or assessment, adopt the enclosed Resolution Ordering Annexation to County Lighting Maintenance District 1697 and County Lighting District LLA-1, Carson Zone, either as proposed or as modified by your Board, and the enclosed Joint Resolution Approving and Accepting the Exchange of Property Tax Revenues resulting from annexation of territory to County Lighting Maintenance District 1697. The adoption of the Resolution Ordering Annexation will constitute the levying of assessments in Fiscal Year 2005-06.
5. Find that the annexation and assessment is for the purpose of meeting operating expenses; purchasing supplies, equipment, or materials; meeting financial reserve needs and requirements; and obtaining funds for capital projects, including the installation, operation, and maintenance of street lights necessary to maintain service within the area proposed for annexation and is

exempt from the California Environmental Quality Act pursuant to Section 21080(b)(8) of the Public Resources Code and Class 1(x)27 of the County's Environmental Document Reporting Procedures and Guidelines.

6. Instruct the Executive Officer of your Board to file a copy of the Resolution Ordering Annexation with the County Assessor, Ownership Services Section; and Auditor-Controller, Tax Section.

### **PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION**

This recommended action is for your Board to annex the territory into County Lighting Maintenance District 1697 and County Lighting District LLA-1, Carson Zone, and levy assessment for Fiscal Year 2005-06, so that the necessary assessment can be applied to the benefitted property for the installation, operation, and maintenance of these street lights and approve the exchange of property tax revenues among those nonexempt agencies whose service area is subject to the jurisdictional change.

On April 15, 2003, your Board approved and filed Petition No. 22-201 (220th Street), and adopted a Resolution Initiating Proceedings to annex territory to County Lighting Maintenance District 1697 and County Lighting District LLA-1, Carson Zone. This Petition is a request for the installation of street lights on new wood poles with overhead wiring. The Petition favoring the installation of these street lights was signed by property owners representing 60 percent or more of the area. This annexation area is located in the City of Carson but is not currently within County Lighting Maintenance District 1697 or County Lighting District LLA-1, Carson Zone.

### **Implementation of Strategic Plan Goals**

This action is consistent with the County Strategic Plan Goal of Fiscal Responsibility as this annexation, levy of assessment, and property tax transfer provides the funding necessary for the operation of new street lighting facilities within this annexed territory. It also satisfies the Goal of Service Excellence since street lights provide for the safety and security of people and property, as well as for the safety of the motoring public, which improves the quality of life in the County and in the City of Carson.

### **FISCAL IMPACT/FINANCING**

Sufficient funds are included in the Carson Zone budget to pay the annual cost of \$360 for the installation, operation, and maintenance of these street lights until assessments can be collected from the property owners within the territory to be annexed.

The Southern California Edison Company will install the street lights without an installation charge.

The ad valorem property taxes and assessment collected from the benefitted property within the territory to be annexed will fund the operation and maintenance of these street lights.

### **FACTS AND PROVISIONS/LEGAL REQUIREMENTS**

The County Lighting Maintenance District, formed pursuant to the Streets and Highways Code Improvement Act of 1911, permits the County Lighting Maintenance District to collect ad valorem property taxes for the purpose of funding the ongoing operation and maintenance of street lighting facilities within the District. The County Lighting District LLA-1, formed pursuant to the Streets and Highways Code Landscaping and Lighting Act of 1972, permits the County Lighting District LLA-1 to levy an assessment against benefitted property owners for the purpose of providing supplemental funding for the operation and maintenance of street lighting facilities within the District.

With the passage of Proposition 218 (State Constitution, Articles XIIC and XIID) in November 1996, it became necessary to ballot the property owners prior to imposing or increasing a street lighting assessment for the operation and maintenance costs of the street lights. As a result, a ballot and public hearing notice must be mailed to all property owners whose parcels are located within the proposed annexation area, no less than 45 days prior to the date of the public hearing. The mailing of the public hearing notice conforms with the requirements of Section 53753 of the Government Code. The posting and publication of the public hearing notices conform with the requirements of Section 5838 of the California Streets and Highways Code.

The ballots, weighted according to the amount of the assessment paid by each property, will be tabulated at the conclusion of the public hearing. Only these ballots that are returned will be counted to establish whether a majority protest exists under the provisions of Proposition 218. The assessment cannot be levied if the weighted majority of ballots submitted are opposed to the assessment, in which case, the assessment shall be abandoned and the annexation and tax transfer proceedings terminated.

The Landscaping and Lighting Act of 1972 and Proposition 218 require that a public hearing be held at a regular Board meeting. The enclosed Resolution of Intention to Annex Territory and to Order the Levying of Assessments, must be adopted to set a

date for the public hearing. Your Board, at the close of the public hearing, may delay its determination regarding the levying of assessment until a later date, continue the public hearing to receive further testimony, or make a determination regarding the assessment.

Section 99.01 of the Revenue and Taxation Code provides that when an area is annexed to a special district for the provision of services that were not previously provided within the territory being annexed, the special district providing the new services is entitled to a share of the growth on the 1 percent ad valorem property tax generated in the area being annexed. That share is to be taken from the other agencies, except exempt entities, which are currently receiving a share of the property taxes in the area. The affected agencies must approve and accept the exchange of property tax revenues by resolution. For those agencies under the Board's jurisdiction, the Board can act on their behalf. For those agencies with their own governing boards who fail to adopt a resolution providing for the exchange of property tax revenues, your Board can approve the exchange of property tax revenue for that agency.

The Resolution Approving and Accepting the Exchange of Property Tax Revenues, approved by the City of Carson and other nonexempt agencies, are enclosed for your consideration.

Following the Board's approval of the annexation, levy of assessment, and exchange of property tax revenues, Public Works will file with the State Board of Equalization the statement of boundary changes as required by Section 54900 et seq. of the Government Code. The State Board of Equalization will approve the transfer of property tax revenue beginning in Fiscal Year 2005-06.

The boundaries of the proposed annexation have been reviewed and approved by Public Works and the County Assessor in accordance with the requirements of Section 58850 et seq. of the Government Code. A copy of the diagram showing the boundary of the proposed annexation territory is included with the Resolution of Intention to Annex Territory.

Public Works will post notices of the public hearing as provided by Section 5838 of the Streets and Highways Code. The enclosed Resolutions have been approved as to form by County Counsel.

**COUNTY OF LOS ANGELES  
DEPARTMENT OF PUBLIC WORKS  
ENGINEER'S REPORT  
PETITION NO. 22-201**

On April 15, 2003, the Board of Supervisors of the County of Los Angeles adopted a Resolution Initiating Proceedings for annexation of territory to County Lighting District LLA-1, Carson Zone, pursuant to the Landscaping and Lighting Act of 1972 of the Streets and Highways Code of the State of California for the purpose of providing for the cost of installing, operating, and maintaining three street lights within the annexed territory, as shown on the enclosed map of Petition No. 22-201. In addition, Public Works was ordered to prepare and file an Engineer's Report in accordance with Section 22565 et seq. of the Streets and Highways Code. This Report was prepared in response to that directive.

With the passage of Proposition 218 (the Right to Vote on Taxes Act) by the California voters in November 1996, the levy of an assessment is now subject to certain provisions under Article XIID of the California Constitution. This Report conforms with the applicable provisions of Proposition 218.

County Lighting Maintenance District 1697 is an established Street Lighting District and was fully funded from ad valorem property taxes prior to the passage of State Constitutional Amendment XIII-A, which limited the maximum amount of ad valorem tax on real property. The ad valorem property taxes received under the guidelines established by the State Legislature subsequent to the passage of this amendment are not sufficient to pay the cost of the street lighting in the District. Therefore, County Lighting District LLA-1 was formed under the Landscaping and Lighting Act of 1972 to provide supplemental funding.

The Landscaping and Lighting Act provides for the assessment of street lighting costs against the benefitted property within the Lighting District in proportion to the benefits received. A method of distributing the street lighting costs on the basis of land use and utilizing land-use data compiled by the County Assessor was approved by the Board of Supervisors on May 22, 1979, and amended on July 22, 1997, to include government-owned or leased parcels. A report showing the approved method and the assessment units to be assessed on the various types of lots and parcels is on file in the office of the Board of Supervisors and is made a part hereof by reference.

The parcel of real property affected is shown in Appendix A. This parcel is more particularly described in a map prepared in accordance with Section 327 of the Revenue and Taxation Code, which are on file in the office of the County Assessor and are made a part hereof by reference and in the attached diagram.

In accordance with Proposition 218 provisions, parcels within a Lighting District that are owned or used by any Governmental agency are now subject to street lighting assessments in Districts where a new assessment is proposed.

The cost of operating and maintaining these lights can be financed by means of a special assessment, which can be applied to the benefitted property owners.

We believe that it would be in the public interest to install street lights in the designated area, as requested by the signer of Petition No. 22-201, and to provide for their operation and maintenance.

COUNTY OF LOS ANGELES DEPARTMENT OF PUBLIC WORKS  
NOTICE OF PUBLIC HEARING  
TO CONSIDER ANNEXATION TO  
COUNTY LIGHTING MAINTENANCE DISTRICT 1697  
AND COUNTY LIGHTING DISTRICT LLA-1, CARSON ZONE,  
PETITION NO. 22-201**

Notice is hereby given that a public hearing will be held by the Board of Supervisors to consider the annexation of territory known as Petition No. 22-201 to County Lighting Maintenance District 1697 and County Lighting District LLA-1, Carson Zone. Said hearing will be held on Tuesday, \_\_\_\_\_, at 9:30 a.m., in the Hearing Room of the Board of Supervisors, Room 381B, Kenneth Hahn Hall of Administration, 500 West Temple Street (corner of Temple Street at Grand Avenue), Los Angeles, California 90012.

This territory, whose street location is described below, is proposed for annexation to the County-administered Lighting Districts for the installation of street lights and for the collection of assessment revenues to pay for their operation and maintenance.

The proposed annual street lighting assessment is \$1 for a single-family home.

- Petition No. 22-201: 220th Street north of Jay Street in the City of Carson.

The levy of a new assessment is now subject to property owner approval with the passage of Proposition 218 (approved by California voters in November 1996) which provides for property owners to determine by ballot whether or not they approve of the proposed assessment for this purpose. As required under Proposition 218, assessment ballots will be mailed to all property owners of parcels within the territory proposed for annexation at least 45 days in advance of the public hearing. All assessment ballots must be received by the County before the conclusion of the public hearing. Ballots will be tabulated at the conclusion of the public hearing. The assessment will not be levied and the territory will not be annexed if the weighted majority of the returned ballots submitted are opposed to the increase. The ballots are weighted according to the amount of the street lighting assessment paid by each property owner.

Notice of Public Hearing  
Page 2

In addition to returning the assessment ballots, property owners may file with the Executive Officer of the Board of Supervisors a written protest against the proposed annexation at anytime prior to the conclusion of the public hearing. The written protest must identify the property owned and must state all grounds for objection. The protest may be withdrawn in writing prior to the conclusion of the public hearing. A majority protest will cause abandonment of the proposed annexation.

The Engineer's Report 22-201 is on file and available for public review in the Executive Office of the Board of Supervisors, Room 383B, Kenneth Hahn Hall of Administration, 500 West Temple Street (corner of Temple Street at Grand Avenue), Los Angeles, California 90012.

If you have any comments about the proposed annexation, you may address them in writing to the County of Los Angeles Department of Public Works, Attention Mr. Joaquin Herrera, Traffic and Lighting Division, P.O. Box 1460, Alhambra, California 91802-1460. In your letter, please include your name, address, and parcel identification number as they appear on your property tax bill.
